I'm Moving Forward

Our Moving Forward program is designed for those striving to restore abilities lost due to stroke, cardiovascular difficulties, orthopedic surgery and other debilitating conditions. Programs vary in frequency and intensity and include physical, occupational and speech/language therapies. Our goal is to return our participants home safely with the skills they need to continue life on their own terms.

I'm Sonny, and I'm *Moving Forward.*

After a long hospital stay, I thought my days of getting out and having fun were behind me. After the great therapy I received at Edgewater Woods, I am now back doing my favorite things. You can now find me playing Keno and Poker at Hoosier Park, and really enjoying life again.
