Auguste's Cottage Memory Care Apartments

It is the mission of American Senior Communities' Auguste's Cottage to provide a dignified, productive, excellent quality of life to those living with the challenges of Alzheimer's disease or related forms of dementia. Additionally, the program will provide support to the family members who experience the challenges with them. Auguste's Cottage will also strive to provide our residents with a home like environment embracing the social model philosophy of care utilizing research based, best practice approaches to program development.

Services & Amenities

Our Auguste's Cottage is a structured, research based program utilizing the social model philosophy of care. We care for our residents by making them feel at home, rather than in an institutional setting. Excellent healthcare is always provided, but quality of life is our primary focus. Stimulating daily activities are offered and encouraged to sustain independence and promote a healthy spirit.

- Family style dining
- Structured daily activities from awakening until bedtime
- Special memory care trained staff
- Dedicated Memory Care Program Facilitator
- Home like secured environment
- Memory boxes by each resident room to assist with room recognition
- Emphasis on maintaining resident independence, productivity, and success
- Snoezelen Program
- Scheduled transportation to medical appointments and special outings
- Personal Laundry Service
- Housekeeping & Linen Services

Other Affordable Services Available:

- Beauty and barber shop
- Podiatry Services
