Brownsburg Meadows Earns Deficiency-Free Rating

BROWNSBURG, IN — Brownsburg Meadows was found to have no deficiencies during an annual inspection by the Indiana State Department of Health. The community also was recently named the best senior living community in Hendricks County.

The health department inspects annually to assess compliance with state standards of care, such as adequacy of staffing, quality of care and cleanliness of facilities.

A deficiency-free score is the best score a facility can receive and is a distinction achieved by a low percentage of facilities in the state.

Brownsburg Meadows received the best senior living community in Hendricks County from readers of the Hendricks County Flyer.

“Compassion, Attentiveness, Relationships and Excellence: these words not only form an acronym for C.A.R.E, they are guiding principles that lead us every day as we serve a very special generation,” said Benson.

“We are so proud of the staff for living out these values in an exceptional way. We congratulate the staff at Brownsburg Meadows. Without the staff’s high level of dedication and commitment, these distinctions would not be possible.”
