Coventry Meadows Receives National Award for Quality Care

Coventry Meadows has been recognized as a 2014 recipient of the *Bronze – Commitment to Quality Award* for its dedication to improving the lives of residents through quality care. The award will be presented by the American Health Care Association and National Center for Assisted Living (AHCA/NCAL).

“This award demonstrates that Coventry Meadows is committed to striving for quality improvement,” said Ed McMahon, Ph.D., chair of the AHCA/NCAL National Quality Award Board of Overseers. “Coventry Meadows has laid a strong foundation for continuing on to the Silver and Gold levels.”

The award will be presented to Coventry Meadows during AHCA/NCAL’s 65th Annual Convention and Exposition, October 5-8, 2014, in Washington, D.C.

Implemented by AHCA/NCAL in 1996, the National Quality Award Program is centered on the core values and criteria of the *Baldrige Performance Excellence Program*. The program assists providers of long term and post-acute care services in achieving their performance excellence goals.
