Williamsport Nursing and Rehabilitation Earns Top Score on Recent State Inspection

WILLIAMSPORT, Ind.—Williamsport Nursing and Rehabilitation, operated by American Senior Communities, a premier provider of Senior Rehabilitation, earned a top score on their most recent state survey.

Over the past few years, the community improvements have been significant, said Williamsport Nursing and Rehabilitation Executive Director James “Dusty” Sizemore.

The community was taken over by American Senior Communities in 2011. Facility and staff changes led to better Indiana State Department of Health inspection scores in 2012, Sizemore said.

“Our team made even more progress in 2012. With those changes, care improved. The residents are happy and so are their families. We are very proud of our progress.”

Dan Benson, COO of American Senior Communities, said: “The Indiana State Department of Health is rigid in its standards. Surveyors go through the facility with a fine-tooth comb. Receiving this score from surveyors really means something and is what we constantly strive to achieve. The thanks really go to the amazing staff at Williamsport Nursing and Rehabilitation and their strong focus on caring for the individual. Without that level of dedication they show every day, this wouldn’t be possible.”

The new federally-mandated Quality Indicator Survey has two stages, the first of which requires in-depth interviews with residents, staff and others and a review of residents' medical records. The second stage involves in-depth investigation of how well residents are assessed and how well care is planned and provided. The new process is more comprehensive.

Williamsport Rehabilitation and Nursing, 200 Short Street, serves families in Benton, Warren and Fountain counties and surrounding communities by providing Moving Forward Rehabilitation, Skilled Nursing Care, Long Term Care, Hospice and Respite.

Williamsport Nursing and Rehabilitation is one of 60 communities operated by American Senior Communities. For more information about Williamsport Nursing and Rehabilitation, call (765) 762-6111, or visit the website at www.ASCSeniorCare/wpn.
