Zionsville Meadows Assisted Living Earns Deficiency-Free Rating

ZIONSVILLE, IN — Zionsville Meadows Assisted Living was found to have no deficiencies during an annual inspection by the Indiana State Department of Health. The community also was recently named the best senior living community in Boone County.

A deficiency-free score is the best score a facility can receive and is a distinction achieved by a low percentage of facilities in the state.

Zionsville Meadows Assisted Living received the best senior living community designation in Boone County from readers of the Zionsville Times Sentinel.

“Compassion, Attentiveness, Relationships and Excellence: these words not only form an acronym for C.A.R.E, they are guiding principles that lead us every day as we serve a very special generation,” said Benson.

“We are so proud of the staff for living out these values in an exceptional way. We congratulate the staff at Zionsville Meadows Assisted Living. Without the staff’s high level of dedication and commitment, these distinctions would not be possible.”
