

The ROSEGATE UPDATE

A Rosegate Publication – March 2015

Letter from the GM

“The UNKNOWN is frightening for many of us, but that’s how faith works. Faith is trusting and knowing God will provide for you in all areas of your life. We trust Him even when things don’t turn out the way we expect. It’s not having a care in the world because you know God is in control. Small or big things don’t disrupt your life anymore because they don’t matter. What matters is to CONTINUE praising & thanking God on your way THROUGH. Our lives are one big test one after another strengthening us so that we grow in our faith.”

PODIATRIST

The podiatrist will be here on March 12th. Sign-up sheets are in the back of the transportation book for your convenience. Garden home residents will receive a call from the receptionist on the 12th to let them know what time you need to come over to the club room.

Employee In-Services

Rosegate employees are dedicated to their jobs and participate in continued education every month. This month we will host in-services. The first is on the 10th titled “Normal Aging” and again on the 24th titled “Infection Control”.

Rosegate Annual Garage Sale

We will be hosting the garden home garage sale at the end of April this year. We would like to have 30 sales going on that day. We are asking that you make a plan to open your garage door and sell your stuff! Get your family in on these plans and they can sell their stuff too! Let’s get excited and take some time to get involved - we had a blast last year and remember it’s only one day.

Birthday Dinner

We will celebrate the March birthdays on Wednesday, March 11th @ 4:30 p.m. in the Rose Garden Inn. Residents with birthdays are welcomed to invite friends and family to the dinner. Please make your reservations by calling the receptionist on duty at 889-0100 no later than March 9th. Meal cost is \$6.50 per person.

Garden Home Resident of the Month

Bob Welmer, garden home resident, has been chosen as our resident of the month. He became an Eagle Scout in 1947 and joined the army in 1950. His basic training was in Hawaii and then he was stationed in Germany working in Information and Education. He got a college degree in business with a GI Bill and taught 8th grade for a short time. He then joined the work force at Chrysler for 27 years and retired at the age of 58. He says that he likes the way Rosegate “gets things done” when it comes to snow removal and salt. He also enjoys the friendliness of residents and staff and is very happy with his life at Rosegate.

Rosegate Family Feature

We are starting a quarterly feature in our newsletter that highlights resident families. Our first feature is about Jerry Silverman’s family. Jerry’s family is here several days a week, spending hours at a time with Jerry. The grandchildren, who refer to Jerry as Bubby, will do their homework while visiting while keeping Grandmother company. They also have developed many new relationships with other residents and employees. They are very familiar faces around here due to their continual involvement with Jerry and life at Rosegate. The grandkids assist and participate in activities, do makeovers for residents and enjoy meals with Jerry. We are thankful for the entire family and the joy they bring to our community.

Rosegate Employee Retires from our Housekeeping Department

Patricia Thompson, Housekeeping, will be retiring on March 27th, 2015. Patricia began working here in 2008 as a server in the dining room. She then transferred to housekeeping where she will finish out her career. We will deeply miss her wit and loving heart. We are happy she spent the last seven years with her Rosegate family.
